April 12 and 13

by Kevin Laforest – April 12, 2012 [Add comment →](#)

Thirty-five years ago, Greg Lake packed the freakin' Olympic Stadium with Emerson, Lake & Palmer. These days, he's touring more intimate venues with *Songs of a Lifetime*, in which the prog-rock legend (he was also part of the original line-up of King Crimson) revisits his career in music and in stories. At Gesù, April 12 and 13. www.legesu.com
